If the tuition amount is not complete at the end of the course, any remaining amount will be added 10% interest per year to Montessori Stoppani. The original or copy of the AMI Diploma will not be given to the student until payment is completed.

Unfair Business Practices

It is considered an unfair business practice for the school to sell, discount, or transfer this contract or promissory note without the signed written consent of the learner, or their financial sponsors if the learner is a minor. Additionally, a written notice must be provided to all parties, confirming that the cancellation and refund policy remains in effect.

Adult Learner's Right to Cancel: Cancellation and Refund Policies

- California learners (and applicable to all other learners as well): A learner has the right to cancel and obtain a refund of charges through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
- The written letter can be submitted by mail or by hand delivery. If submitted by mail, it is effective when deposited to the properly addressed with proper postage.
- In the event of dispute over timely notice, the burden to prove service rests on the applicant.
- All money paid by the learner shall be refunded if the learner does not sign an enrollment agreement and does not commence participation in the program.
- If the Enrollment Agreement is cancelled, the institute will refund the student any money he/she paid, except for the registration and enrollment fee which is non-refundable (\$950 USD), within 45 days after the notice of cancellation is received.

Termination after the Commencement of Classes

If participation in the course is terminated after entering classes on June 19th, 2026, the student is financially obligated to MSI according to the following formulas or maximum charges:

Percentage of Course Completed	MSI retains % of Tuition *
Cancellation at the end of the first class-session on June 19th, 2026 or 7 days after enrollment	All paid tuition refunded *
Before completing 60% of attendance or less	Student are entitled to a pro-rata refund of services paid for, but not received, up to and including 60% of the period of attendance
After completing 60% of attendance or more	100% tuition retained

*\$1050 USD fee is non-refundable.

Pro-Rata Refund CEC §94920 - A pro-rata refund is a refund calculation method required by the Bureau for Private Postsecondary Education (BPPE) in California. It ensures that students who withdraw from a program before completing 60% of the total clock hours receive a fair refund based on the portion of the program they have not yet attended.

How the Pro-Rata Refund Works

- If a student withdraws before completing 60% of the total clock hours, they are entitled to a partial refund of tuition and fees.
- The refund is calculated based on the number of clock hours not attended based on their tuition payment.
- If a student completes 60% or more of the program, no refund is required.

Official date of termination

The official date of termination of an adult learner will be the last date of recorded attendance when withdrawal occurs in any of the following matters:

- When MSI receives written notice of the learner's intention to discontinue participation in the program.
- When the adult learner is terminated for a violation of a published MSI policy, which provides termination.
- After two official notification letters have been sent by MSI regarding the learner's lack of attendance and submission of work. This includes the initial alert letter, followed by the probationary letter

Discontinuance of the program

If Montessori Stoppani continues to operate under the license but discontinues program lessons after the course that has already begun, students enrolled in that program are entitled to apply a pro rata for the return of the entire course. With student approval in writing, if a comparable program is organized by Montessori Stoppani in another location or with similar characteristics in a virtual manner, the course may be maintained with a refund of another amount if necessary.

- It must be reported in writing about the discontinued lessons
- The student's request for reimbursement must be made in writing within 30 days of discontinuation of the program. The money will be refunded to the student who claims for the next 30 days after receiving the notification

For the purpose of determining a refund under this section, a student may be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school.

Financial Aid Funds or loans

Please Note: Montessori Stoppani Institute does not offer, extend, or provide institutional student loans. If a student independently obtains a private or third-party loan from an outside financial institution to pay for this educational program, the student understands and agrees to the following state-mandated terms:

1. **Full Repayment Obligation:** The student is responsible for repaying the full amount of the loan plus interest, less the amount of any refund.
2. **Refund Allocation:** If the student qualifies for a refund under the institution's refund policy, the refund will be applied in the following order:
 - o First, to reduce the outstanding balance of the student loan.
 - o Then, to repay any student financial aid programs in proportion to the benefits received.
 - o Any remaining refund amount will be paid directly to the student.
3. **Federal Student Aid Consideration:** If the student has received federal student financial aid funds, they are entitled to a refund **only for moneys not paid from those funds.**

Students are strongly encouraged to review their loan terms, repayment schedule, and financial responsibilities before borrowing from an outside lender.

If the student defaults on a federal or state loan, both the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

Student Tuition Recovery Fee (STRF)

- (a) The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are

a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

- (b) It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, California, 95834, (916) 574-8900 or (888) 574-8900.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Effective April 1, 2024, the Student Tuition Recovery Fund (STRF) assessment rate will change from two dollars and fifty cents (\$2.50 per one thousand dollars (\$1,000.00) of institutional charges to zero dollars (\$0.00) per one thousand dollars (\$1,000.00) of institutional charges. As of this date, institutions will no longer be required to collect STRF assessments from students.

Transfer Learners

Association Montessori Internationale (AMI) training programs are structured as comprehensive programs of study, and transfer learners are generally only accepted under exceptional circumstances where completing the program at the original center becomes infeasible or impossible. Tuition fees for transfer learners will be adjusted based on their attendance duration at Montessori Stoppani Institute and will be evaluated individually. Transfer learners from other AMI training centers may be accepted under the following conditions:

- Transfer learners must be in good standing at their original training center.
- A \$500 Transfer Fee must be paid to cover the administrative costs of processing the transfer.
- Transfer learners are required to pay the MSI Application Fee and submit a complete application packet that meets Montessori Stoppani's Criteria for Admission or provide equivalent documentation from their former AMI training center.
- Program work completed at the previous center will be reviewed and credit given where applicable and at the discretion of the AMI Director of Training.
- All learner records from the previous institution must be transferred to Montessori Stoppani Institute.
- Receipt of an AMI Program Transfer Request is also required.
- Transfer learners are responsible for paying AMI fees (5% of Tuition), MACTE fees (annual fee), and academic fees for MSI for the portion of the course still pending.

Notice concerning Transferability of Credits and credentials Earned at MSI.

The transferability of credits earned at Montessori Stoppani Institute is entirely at the discretion of the institution to which you may wish to transfer. Similarly, the acceptance of the AMI Diploma you receive from Montessori Stoppani Stoppani's program is also up to the receiving institution. If your credits or diploma are not accepted by the institution you plan to transfer to, you may need to repeat some or all your coursework. Therefore, it's important to ensure that attending this institution aligns with your educational goals. This may involve reaching out to the institution you plan to transfer to after attending Montessori Stoppani Institute to confirm if they will accept your credits or diploma.

Disputes

Students have the right to pursue any contractual or legal remedies available under the law at any time, without being required to invoke or exhaust the institution's internal dispute or grievance procedures. While Montessori Stoppani Institute offers a voluntary internal review process to help resolve concerns informally (detailed in the Adult Learner Handbook under "Grievance Procedure"), utilizing this process is entirely optional and is not a prerequisite to enforcing any legal rights.
